

Parking Permit Application

There is no charge for this parking permit, however, there will be a \$5.00 charge for a replacement permit for any reason unless the original permit is returned.

You have requested permission for on-street parking. Please complete this application. **Proof of residency/employment must be attached with this form.**

Request Date: _____ Own: Rent:

Name: _____

Business Name: _____

Address: _____ Apt. # _____

Home/Business Number: (____) _____ Cell: (____) _____

Email Address: _____

Make/Model of Vehicle _____

Year and Color of Vehicle: _____

License Plate Number: _____

OFFICE USE

Assigned Permit Number: _____

Parking On (street name): _____

A permit is only valid for the vehicle registered on this form and for the street/area of resident/business. A permit application must be on file and a permit issued for each vehicle needing permission to park in prohibited/restricted parking zones. **All vehicles must be parked legally and with the flow of traffic.**

Permit MUST be placed in driver's side rear window.

Approved by,

Signature of Applicant (By signing you agree to all terms.)

Ken Truver, Chief of Police

Note: This permit is valid only for the address listed for the resident/business noted above. If your vehicle description changes, please notify this office.

Overnight parking permits are not valid during snow/ice conditions or when there is a threat of snow/ice conditions.

We would ask that you please return the parking permit to the Castle Shannon Police Department when you no longer need this service. Thank you.

WEATHER EVENT– OVERNIGHT PARKING RESTRICTIONS

DECEMBER 22, 2022

As we approach the holiday weekend, we are expecting coinciding inclement weather.

In addition to wishes for a Happy and Safe Holiday Season, we wish to remind everyone that overnight parking is restricted during weather events or threats of same, in order to allow our road crews to clear roads for safe travel.

Even residents with parking permits are asked to find alternate places to park their vehicles if all possible.

Please also take time to look in on elderly residents, and families who may have limited resources/mobility, when the temperature drops.

There are cold weather tips available here:
