# HARD TO RECYCLE COLLECTIONS

Since 2003, Pennsylvania Resources Council has held Hard to Recycle collections in Southwestern PA. The goal is to provide responsible and convenient disposal for items that are not eligible for curbside recycling. At these events, individuals have been able to recycle items such as e-waste, cell phones, polystyrene, Freon-containing appliances, tires and more.

Pennsylvania Resources Council has further committed to the safe, ethical, and responsible recycling outlet of electronic waste through recognition by the Basel Action Network (BAN), (<http://www.ban.org/e-stewardship/>) as an E-Stewards<sup>®</sup>

Enterprise. You can learn more about E-Stewards Certification here (<https://prc.org/prcs-e-steward-certification/>).
