Help Us Create a Story Tapestry!

It's time to come together for our summer reading program, and we are inviting community members to help us create an Around the World and All Together Now Multi-Cultural Tapestry.

You can honor your heritage by sharing a short story or drawing that reflects a cherished family tradition or celebration with a cultural theme. Stop by the library to pick up a piece of colorful premeasured paper for recording your story, then return it by August 15 to have it included in the tapestry. The Around the World and All Together Now Multi-Cultural Tapestry will be on display at the library during the month of September.
