Online Reporting System & “No Soliciting” Subscription

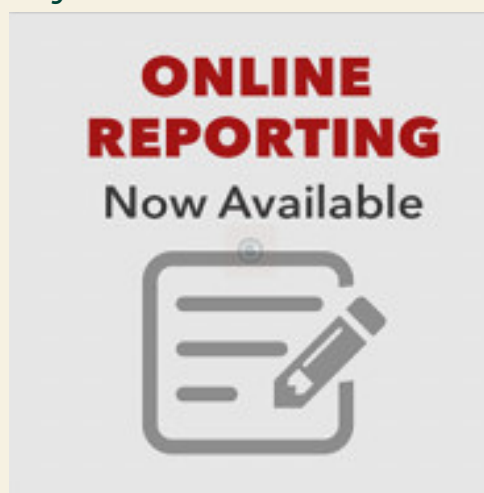

Did you know that the Castle Shannon Police Department has an online reporting system for non-emergency reports?

By utilizing Online Reporting, you can...

- Contact the Castle Shannon Police Department
- Receive an automated e-mail receipt and reference number
- Be contacted by a police officer regarding your submission

GO TO <https://alleghey.crimewatchpa.com/cspd/24171/report>

If you are reporting an emergency or a crime in progress do not use this online webform and DIAL 911 immediately.

You can sign up for the No Solicitation subscription through the Castle Shannon Police Department!

The residential “DO NOT SOLICIT” list will be provided to vendors when they apply for soliciting permits. Only the address will show and no personal information. Solicitors who violate the ordinance by visiting residents on the list risk citations and revocation of their permit.

Even if residents have signed up for previous No Solicitor lists, we encourage you to apply for this list:

<https://alleghey.crimewatchpa.com/cspd/24171/webforms/do-not-solicit-form> and fill out the form on line.

Waste Management Trash and Recycling Bin Delivery

Waste Management is close to delivering the new trash and recycling bins to residents in Castle Shannon. You can expect these to arrive between Wednesday, March 27th and Tuesday, April 2nd. Once bins are delivered, the updated automatic trash service will begin the week of April 8th.

As a reminder, if you want to switch to the smaller trash bin you will have the opportunity after two months of using the larger bins. There will be no additional cost to you when switching if done within six months. After six months, there will be a fee. More information on how to change the bin size will be included in an informational packet when the bins are delivered.
